Subject: Manufactured Home Foundation Services

Pat,

Thank you for your time on the phone today. As we discussed, I am forwarding introductory information on our company for your review.

We are a foundation engineering and construction company providing turnkey engineering and construction to get existing manufactured homes foundations in compliance with current FHA/HUD and VA requirements.

We work all over Texas and in the neighboring states.

We provide free estimates and initial inspection.

We are very competitive (\$ 2,000.00 to \$ 2,600.00, depending on location, for the foundation and engineers report) and have been in the foundation business 28 years.

We have an excellent reputation due to our prompt service and follow-through. From the time you order the work, we can have the foundation work complete and the engineers report in your hands within 5 calendar days maximum.

Most of our mortgage company and realtor clients use us sole source.

Please review our website link below and contact us if you have further interest

Thanks
